Description: Using Kumons step-by-step, incremental approach, this workbook introduces children to the concept of money by giving them plenty of practice working with each coin before moving on to the relationships between coins. Eventually, your child will understand the names and values of every coin worth less than a dollar. Ages 5-7....

Review: The Kumon series of books works by empowering children to succeed on their own. The books get successively more difficult as they build upon skills learned from the previous pages, so that by the end of the book the child has a sense of accomplishment and be ready to move on to the next level. The instructor is more of a mentor or coach than a teacher...
